Coffee Corner

How did you get fired? asked Dumb.

"Well, I was trying to help a customer select a dress," replied Dumber. "She must have tried on everything in the store. I missed my dinner break and I had already started early that day, I lost my patience with her."

"Then what happened," asked Dumb.

"Well, when she said she thought she'd look good in something flowing. I suggested the Saskatchewan River.

A wealthy old man looked around the table at his 2 sons and five daughters and their spouses gathered for a family reunion. "Not a single grandchild," he said with a sigh. "Why, I'll give a million dollars to the first kid who presents me with a little one to bounce on my knee. Now, let's say grace."

When the old man lifted his eyes again, his wife was the only other person at the table.

A married couple was asleep when the phone rang at 2 in the morning. The wife picked up the phone, listened a moment and said, "How should I know, that's 200 miles from here!" and hung up. The husband said, "Who was that?" The wife said, "I don't know, some woman wanting to know if the coast is clear."

What is the difference
between a "Slim Chance" and
a "Fat Chance?"

I took my young son to the doctor
for a routine physical. All the way I
had to reassure him that he would
not be getting a shot. He went
through his eye exam, hearing test,
etc. The nurse came into the exam
room and started to ask me routine
questions. When she got to "Is he
allergic to anything" my four-year-
old son stood up and said, "YES,
I'm allergic to shots!"

Catching her in the act, I
confronted our 3-year-old
granddaughter, "Are you
eating your little sister's
grapes?" I demanded.
"No," she innocently replied,
"I'm helping her share."

The banquet was about to
begin when the master of
ceremonies was informed
that the clergyman invited to
give the blessing was unable
to attend. He asked the main
speaker if he would oblige,
and the man agreed. He
began, "There being no
clergyman present, let us
thank God."

Jim and Sam are out one
afternoon on a lake when
their boat starts sinking.
Sam the banker says to Jim,
"So listen, Jim, you know I
don't swim so well."
So Jim begins tugging Sam
toward shore. After twenty
minutes, he begins to tire.
Finally about 50 feet from
shore, Jim asks Sam, "So
Sam, do you suppose you
could float alone?"
Sam replies, "Jim, this is a
heck of a time to be asking
for money!"
